

WENDRON PARISH COUNCIL

TENDER FOR THE MAINTENANCE OF PUBLIC FOOTPATHS

Introduction

Under the Local Maintenance Partnership Scheme, Wendron Parish Council undertakes to maintain the Public Rights of Way within the Parish. There are 13.561km of paths classified as Gold and 67.927km of paths classified as Silver

All Gold paths should be cut once a year: 7.235km of them should be cut twice

All Silver Paths should be cut once a year.

There are 24 stiles which should be cut back once a year: 8 of those stiles are cut a second time

In the year 2017/2018 Wendron Parish Council cut

- 12.812km of Gold Paths once and 6.985km a second time
- 63.39km of Silver Paths
- 24 stiles were cut once and 8 of them cut a second time

Conditions

1. All clearance work is to be carried out to the satisfaction of Wendron Parish Council
2. The full width and sides of banks of footpaths shall be cleared by lopping, cutting and clearing vegetation and obstructions. Any growth from the top of the banks which may cause obstruction to the footpath shall also be cleared. A clear height of at least 2 metres is to be maintained over the width of the path. Footpaths shall be cleared as follows (these are minimum dimensions):-

Track	1 metre either side of centreline of track
Field edge	1.5 metres away from field edge
Across open field	1 metre width
Height	2 metres

Bridleways should be cleared to a width of 2.5 metres and to a height of 3.5 metres

3. All trimmings and fallen debris shall be gathered tidily to either side of the path so as not to cause any obstruction. Particular care should be taken to ensure that water courses are not blocked by debris and that all natural drainage is also clear of cuttings
4. Japanese Knotweed must not be flailed or mown. Cutting with sharp hooks or slashers is recommended. The Clerk must be notified of the location of knotweed.
(It is an offence under the Wildlife and Countryside Act, 1981 if you cause Japanese Knotweed to spread)
5. Hand tools and suitable machinery may be used. No chemicals are to be used for clearing purposes unless specifically authorised in advance by the Parish Council in writing.
6. Clearance shall not start before May 1, 2018 and the first cut should be completed by the end of July. The contract is to be completed by February 1, 2019 unless otherwise agreed.
7. Payment will be made upon completion of each phase of the work following submission of a time sheet detailing simply the date of the cut or minor works and the hours spent. This time-sheet will be provided by the Parish Council.
A check may be made by a member of the Parish Council prior to payment.

8. All contractors must have public liability insurance up to a minimum £5,000,000 (£5M). A copy of the insurance schedule is to be enclosed with the tender as verification.
9. Contractors are reminded that vehicular access to footpaths for the purpose of maintenance work is usually on private property and permission should be sought from landowners prior to using the vehicle.
10. Additional work as specified by the Clerk must be completed within fourteen days.
11. Wendron Parish Council requires one month's notice from a contractor should he/she wish to cease working for the Council. Similarly Wendron Parish Council reserves the right to serve one month's notice on a contractor for which the reasons will be explained at the time.
12. Maps showing the exact line of Gold and Silver paths (including those Gold Paths which should be cut twice) will be supplied by the Clerk on the award of the contract.

Sealed tenders clearly marked *Wendron Parish PROWs* must be received by

C.F.P.Chapman
Clerk to the Council
Chy Lean
St Keverne Road
Mawgan
Helston
TR12 6AY

on or before Friday, February 9, 2018.

Wendron Parish Council
